SOCIETY

The engagement is announced by Mr.
and Mrs. C. Cunha of their daughter,
Miss Rose Cunha, to Dr. H. V. Mur-
ray, both of Honolulu. The news of
the engagement became known during
the week and was an agreeable sur-
prise to their friends. Miss Cunha has
been among the social leaders in the
younger set, while the prospective
groom has been a medical practitioner
here of long standing and always prom-
inent in social matters. In honor of
their engagement, Princess Kawanana-
koo, a schoolmate of Miss Cunha while
both attended a California convent,
will give a dinner this evening.

Mr. and Mrs. Henry C. Brown en-
tertained at dinner last evening at
Englefield for Mr. and Mrs. Amos
Barnes of New Haven, Conn. The
guests included Mr. and Mrs. Walter
F. Frear, Mr. and Mrs. C. H. Atherton
and Mr. and Mrs. B. L. Marx.

C. Castendyk and bride arrived last
Thursday afternoon on the Kinau,
much to the surprise of their friends
who were led to believe by the public
announcements made that they would
come to Hilo on the S. S. Maui Sunday
morning. Mr. and Mrs. Castendyk
were accompanied by Mrs. Castendyk's
little daughter Carol, who is renewing
old acquaintances in Hilo with a will
and energy that would do credit to a
politician. They are residing at their
beautiful home in Riverside Park
which has been remodeled and repainted
for their reception. They are wel-
comed to Hilo by a host of admiring
friends.—Hilo Tribune.

An engagement luncheon was given
at the Alexander Young Hotel on Mon-
day for Miss Bernice Kopke, whose
marriage to Mr. Ernest Ross takes
place next Tuesday evening. Among
those present were Mrs. Albert Water-
house, Miss Greenwell, Mrs. Charles
Weight, Miss Lily Wally, Miss Elsie
Waterhouse.

Princess Kawanana-koo was at home
from 3 to 5 yesterday afternoon at the
Campbell home, Emma street, several
score ladies calling during that time.
The Princess was assisted in receiving
by Mrs. William A. Purdy and Miss
Irene Dickson, the latter also presid-
ing at the punchbowl.

Mr. James C. King, a multi-million-
aire and an old resident of Chicago,
wife and sister, Mrs. A. S. Melvin, are
at the A. Young Hotel for the winter.
Mr. King is said to be looking up the
sugar plantations and making some
large investments here.

One of the novel events in society
during the week was the "Pake" lun-
cheon given yesterday by Mrs. Carl Hol-
loway for about sixteen of her intimate
friends. The ladies attending the
luncheon came to the table attired in
Chinese costumes and the bizarre ef-
fect was surprising. Among the guests
were Mrs. George R. Carter, Mrs. An-
drew Fuller, Mrs. Wilcox of Kauai,
Mrs. E. D. Tenney, Mrs. George Her-
bert, Mrs. E. Faxon Bishop, Mrs. C.
L. Wight, Mrs. Helen Noonan, Miss
Margaret Walker and Miss Cordelia
Walker.

Brigadier General Moore, U. S. A.,
Mrs. Moore, Miss Moore, Major Febi-
ger and Lieutenant Cox formed a din-
ner party at the Moana Hotel on
Thursday evening.

Mrs. Armstrong of San Francisco,
who is stopping at the Hawaiian Hotel
with her mother, is now one of the
galaxy of fair amateur automobile
drivers. She is the owner of a pretty
red machine.

The engagement was announced in
Hilo last week of Miss Emelie Peck,
daughter of Philip Peck, to Dr. Ormond
Wall of this city.

A jolly party of townfolk were en-
tertained at dinner at the United
States revenue cutter Bear on Thurs-
day evening under the chaperonage of
Mrs. T. A. Hays. Among the guests
were Mr. and Mrs. Hays, Miss Win-
ston, Miss Hartnagle, Miss Sherman,
and Miss Burnham, Captain Hamlett,
Mr. Wolf and other officers of the cut-
ter.

Mr. and Mrs. T. A. Hays gave an
elaborate dinner at the Moana Hotel
last Sunday evening, covers being laid
for fourteen. The decorative scheme
was red, both in bowls and sprays of
carnations and shaded electric lamps.
The guests were Mr. and Mrs. J. S.
Walker, Mr. and Mrs. Brainerd Smith,
Mrs. F. M. Hatch, Miss Kaufman, Miss
Winston, Miss Burnham, Messrs. Clif-
ford Kimball, R. E. Wright, George
Fuller, Herman Wolf of the U. S. R. C.
Bear.

The Zenda Dancing Club gave its
usual fortnightly hop last evening in
Odd Fellows' Hall.

Mrs. Hays will give a large dinner
party at the Moana Hotel tomorrow
evening.

An Enjoyable Outing.

The most attractive day's outing is
that afforded by the excursion down
the railroad line. The HALEIWA
LIMITED, a first-class train, leaves
Honolulu every Sunday morning at 8:22
o'clock making the run in two hours,
the rate for round trip being only \$2.00.
From 10:22 a. m. until 8:10 p. m. is
spent at the beautiful HOTEL HALEIWA,
with fresh and salt water
bathing, tennis, golf drives and walks,
shooting or fishing and you are back
in town at 10:10 o'clock in the even-
ing.

GILMAN IS CHAIRMAN

The Promotion Com-
mittee Board is
Changed.

At a full meeting of the Board of
Directors of the Hawaii Promotion
Committee held on Thursday after-
noon, Mr. F. C. Smith resigned as
chairman, and Mr. J. A. Gilman was
elected to succeed him. Mr. Smith
takes a place upon the board as a
member. His resignation from the of-
fice of chairman was due to business
matters requiring his close attention.
The board is composed of five mem-
bers, who are serving under the origi-
nal resolution passed by the Cham-
ber of Commerce and the Merchants'
Association, whereby two members are
appointed from each organization and
one selected outside.

SECRETARY SHAW PERMITS FUMIGATION

Alexander Shaw, Superintendent of
Entomology for the Board of Agricul-
ture and Forestry, presented the fol-
lowing correspondence to the board at
its meeting on Wednesday, relating to
the disinfection of plant material im-
ported into Hawaii, with the attached
explanation:

In November 28 I submitted a letter—
addressed to the Hon. James Wilson,
Secretary of Agriculture, Washington,
D. C., to Collector Stackable for his
consideration. As it met with his ap-
proval and would not conflict with his
duties, it was forwarded and the fol-
lowing correspondence indicates that
we have the co-operation of the Fed-
eral authorities in preventing the in-
troduction of further insect pests into
this Territory.

Department of Agriculture, Office of
the Secretary, Washington, D. C.
December 23, 1904.

Mr. Alexander Shaw, Superintendent
and Inspector, Board of Commis-
sioners of Agriculture and Forestry,
Honolulu, Hawaii.
Sir: Acting on the suggestions in
your letter of November 28, I have taken
up the matter of the disinfection of
plant material imported into Hawaii
with the Secretary of the Treasury,
and the latter has addressed an au-
thorization to the Collector of Customs
at Honolulu, Hawaii, to permit of dis-
infection of imported plants as indicat-
ed in his letter to the customs officer, a
copy of which I enclose.

Very respectfully,
JAMES WILSON,
Secretary.

Copy of letter to Collector Stack-
able:

December 21, 1904.
The Collector of Customs, Honolulu,
Hawaii.
Sir: Acting upon the request of the
Secretary of Agriculture, and upon
representations in support thereof, you
are hereby authorized to permit the
proper Territorial authorities to fumig-
ate with hydrocyanic acid gas cases
of plants imported into Hawaii, in or-
der that noxious insects therein may
be destroyed, under such precautions
and regulations as will preclude any
possibility of injury to persons or
property in the use of this powerful
and dangerous chemical agent.

Respectfully,
(Signed) LESLIE M. SHAW,
Secretary.

ISLAND REFINED SUGAR IS AI

The refined sugar product of the Ho-
nolulu Sugar Plantation is finding a
ready sale in Honolulu. Bags are ex-
hibited at May & Co.'s store, in two
qualities, AA and A. The finer grade
is almost pure white and exceedingly
fine. Hart & Co. have experimented
with it in the making of candy and find
it of a superior quality.

The San Francisco Weekly Examiner
will distribute \$100,000 in prizes among
its subscribers this season and Mr. H.
W. Holling, their traveling agent, is
now canvassing Honolulu for subscrip-
tions, with local headquarters at Wall,
Nichols Co. Don't miss this opportu-
nity to subscribe; only \$1.50 a year,
with a chance to get a fortune.

MOANA HOTEL IS NOT TO CLOSE

An erroneous impression seems to
have gone abroad that the Moana
Hotel will close its doors when the
place is sold to satisfy the demands
of the bondholders. On the contrary
the hotel will continue business right
along.

The exhibit of native woods turned
over to the Board of Agriculture by
direction of the Governor has been
prepared for exhibition and is now be-
ing arranged in the museum room. It
will be opened to the public within a
very short time. The woods were pol-
ished at the Kamehameha schools.

SPORTS

OPEN FIELD MEET
ON MARCH 18TH

At a meeting of a committee at the
Y. M. C. A. it was definitely settled to
hold an open field meet March 18, the
third Saturday in the month. The com-
mittee in charge, in selecting a date,
were careful to choose one which would
not conflict with the opening baseball
season. All are agreed that the base-
ball season ought to begin later this
year than it did last year. The season
was then too long, both for players and
for spectators. It is not probable that
the first baseball games will be played
before the middle of April or the first
of May.

The list of events in this meet prom-
ises to be an unusually interesting one.
There will be the 50 yards, the 100
yards, the 220 yards and the 440 yards
dashes; the half mile and the mile
runs; the half mile and the one mile
relay runs; the 120 yards hurdles; the
pole vault, the 16-pound shot put, the
high jump and the broad jump.

Four men from each club will run
in each of the relay races, while in
the other events each club will be lim-
ited to three entries. It was thought
best to eliminate the hammer throw
because of the length of time it con-
sumed and because more interesting
events were substituted.

A handsome silver cup is offered to
the winning club. Last year Kame-
hameha won this cup and if they win
it again this year it will become their
permanent property. To be retained
it must be won twice in succession.

The following clubs will be invited to
compete: The Mallets, the H. A. C.,
the P. A. C., the Y. M. C. A., Kameha-
meha, the high school, Oahu College,
the Artillery, the Elks and the Jap-
anese Athletic Club.

There will be a keen competition and
the struggle promises to be closer than
any ever yet held. Kamehameha has
her work cut out for her if she would
retain her past laurels. The Japanese
Athletic Club is enthusiastic and the
little brown men are quite apt to
throw dust in the face of some of the
local athletes. They will be especially
strong in the dashes, the long runs and
the jumps. Japan has much of the
winning spirit about her these days and
the Mikado's athletes may be depend-
ed upon to give a good account of
themselves.

This meet is open to the whole is-
lands and it is quite probable that there
will be athletes down from both Ha-
waii and Maui. It will be held at the
boys' field on Vineyard street, where
is to be found the only quarter-mile
cinder track in the islands.

The following representative men
form a committee, who have full
charge of this field meet:
W. H. Babbitt, C. R. Hemenway, C.
A. Stiles, B. H. Clark, F. E. Haley,
Jess Woods, Sam Johnson, Stanley
Livingston, F. A. Richmond, Lieuten-
ant Kurokawa and E. B. Turner (chair-
man).

IN AMERICA Chamberlain's Cough
Remedy is a great favorite with the
mothers of small children for colds,
croup and whooping cough. It con-
tains no harmful substance and always
gives prompt relief. Sold by all dealers.

ASSOCIATION FOOTBALL GAME THIS AFTERNOON

The second game of soccer football
will be played at the new baseball park
today. The Punahou and Iolani will
kick for championship honors. This
will be the first appearance of the Pu-
nahou team and after they have been
seen in action a line can be drawn on
the merits of the three teams.

The make-up of the Punahou team
is very strong this season and they
should make a stiff bid for the cham-
pionship.

The Puns will have some new men
in their line-up today. G. Judd has
developed into a crack and will play
one of the halves for the Blue and
Gold. R. R. Catton will captain the
team, and with him to take the lead
the Punahou should put up a stiff
fight.

The Iolani will line-up about the
same as last Saturday. They have a
fine combination and if the Punahou
defeat them they will have to play the
game in good form.

The teams will line-up as follows:

PUNAHOU.
Goal—A. A. Catton.
Backs—G. Judd, W. H. Soper.
Halves—L. G. Blackman, J. K. Clark,
R. McCortison.
Forwards—G. Waterhouse, W. Camp-
bell, R. R. Catton (Capt.), J. L. Cock-
burn.
Reserves—Spalding, Styles and Pa.

IOLANI.
Goal—E. Kellett.
Backs—Freeth, J. Kellett.
Halves—Gleason, J. Anderson, M.
Anderson.
Forwards—Fernandez, Woo, Camp-
bell (Capt.), Macfarlane Kea.
Reserves—Desha, A.

Newrich—"How'd you get along at
the dinner?" Mrs. Newrich—"Fine.
When they eat pie with a fork, I done
it, too, so as not to let 'em see their
break!"—New York Sun.

TENNIS DOUBLES PLAYED AT EWA

The Ewa Tennis Club mixed doubles
were completed early this week on
the Ewa Tennis Club courts. The fol-
lowing teams entered for the contest:
A. Ohrtmann and Mrs. P. A. Swift,
Miss Renton and Miss Davis, C. E.
Edmunds and Mrs. Jno. Glenn, W. P.
Johnson and Miss Eplund, H. S. Fisher
and Mrs. T. O'Dowda, H. C. Schmidt
and Miss Fisher.

S. Renton and Miss Davis won out
in the finals, each being presented with
a racket in token of their victory.
F. E. Greenfield occupied the unen-
viable position of umpire, having tak-
en the precaution of having a hair-cut
the previous day.

The outlook for Japanese exclusion
is not bright. The Russians have tried
it in Manchuria and it does not work.—
